initiatives with risks, owners, and timelines.

Society of Renewable Energy

February 2025 – Present

[Competency Development Associate]

SRE serves as a platform for knowledge sharing, research, and collaboration in the field of sustainable energy, including solar, wind, hydro, and bioenergy. The organization actively conducts educational programs, workshops, and community projects to raise awareness and drive innovation in the renewable energy sector

- Designed the SRE UNAIR competency framework and curriculum map; built assessment rubrics, pre/post evaluations, and mentorship matching to grow members' technical and soft skills.
- Led training operations: delivered workshops and micro-courses, coordinated speakers and industry partners, managed LMS content and feedback loops to improve completion and project readiness

Himpunan Mahasiswa Sistem Informasi (HIMSI UNAIR)

February 2025 – Present

[Academic & Achievement Staff]

Student association for the Information Systems undergraduate program that facilitates student advocacy, academic development, community engagement, and professional growth through programs, workshops, and competitions in collaboration with faculty and external partners.

- Coordinated academic enrichment initiatives, including study clinics and competition mentoring, by aligning student needs with lecturer input and curating standardized learning materials to improve course
- Organized achievement-focused programs such as Olympiad prep and research poster coaching, built a tracker for member participation and wins, and partnered with committees to publicize opportunities

StudentsCatalyst (Startnow Batch 2)

Feb 2024 – May 2024

[Event and Ambassador]

StudentsCatalyst is a leading prestigious student-led foundation in Indonesia to help students expand their networks, develop themselves beyond any limitations, and prepare to pave their career paths.

- Acted as brand ambassador to expand student outreach and engagement efforts in East Java.
- Executed targeted promotional campaigns across 5+ schools and digital platforms, growing awareness of StudentCatalyst programs by 40%.

V. VOLUNTEER EXPERIENCES.

TedxUniversitasAirlangga

July 2025 - Present

[Web Development Staff]

TEDx event organized by Airlangga University students. Each year, it gathers over 7 impactful speakers and hundreds of attendees to spark discussions on youth empowerment, innovation, and social change, creating a space where bold ideas are shared, challenged, and transformed into real-world impact.

- Redesigned TEDx landing and end to end ticketing flow, delivered wireframes to hi-fi Figma prototypes, ran usability tests, and iterated to boost conversion and reduce bounce.
- Built a lightweight design system and component library across website, LFSS submission, and pre-event microsite; provided UI specs and dev handoffs for responsive, accessible interfaces and faster delivery.

FikSIONER INDONESIA

June 2024 – December 2024

[Business Competition Staff]

FikSIONER is a community of young entrepreneurs (who started their business since high school). FikSIONER is an organization under KEMENDIKBUDRISTEK that accommodates development to prepare today's young generation to compete in the global arena in the future.

- Managed national-scale competition with 200+ participants, from timeline planning to winner announcement and Co-developed fair scoring rubric and handled judge liaison for transparent and integrity-focused selection process.
- Enhanced participant satisfaction through detailed guidebooks and live Q&A sessions, resulting in a 4.8/5 feedback score
